GLOBAL EDUCATION OFFICE (GEO)

Internship: SPAIN

Summer 2020
May 16 – June 12

Internship: Medical Shadowing

BIO 4990/CHEM 4990: Internship
1 unit

Students will spend a minimum of 20 hrs/week in the hospital environment, shadowing doctors in pairs. They will shadow four days per week, generally about five hours per day. One weekday per week is reserved for group excursion of cultural, regional, or historical interest. Students will shadow in a variety of medical fields inside the hospital - some surgical but more often non-surgical. The internship is observational only, in accordance with the Association of American Medical Colleges and Global Ambassadors for Patient Safety guidelines (clinical skills are not practiced).

Medical Clinic
The Complejo Hospitalario Universitario de Ourense is located in the northwestern Galicia region of Spain. This hospital complex provides health care to more than 246,000 people. New facilities opened in 2017 to make this 800 bed hospital a great location for the healthcare professionals.

Cultural Excursions
Weekly cultural outings to historic sites and opportunities to try local cuisine, native dance and music.
